The above-mentioned vehicle is kept for sale under the specified conditions. From the date_____ and time_____, the full responsibility of the said vehicle such as RTO tax, insurance policy, all kinds of fines, cash, accidents, theft, robbery, and any other type of responsibility that may arise will be entirely the responsibility of the party purchasing the vehicle, and all prior responsibility will be on the seller. We will act in accordance with the written agreement, and if the payment cannot be made as per the agreement, the selling party has the right to take back the vehicle. In such a case, we, the purchasing party, will have no claim, and we accept and agree to this. Both parties will be bound by this agreement, and once the full payment is received, we will prepare all the necessary documents for the vehicle and hand them over to you. The vehicle is sold to you with the condition that you will not transport any goods against government regulations, and if any such transport occurs, it will be the responsibility of the buyer. If the payment is not made within the stipulated time, we, the buyers, will return the vehicle to the seller without any dispute, and until the full amount for the vehicle is paid, the selling party cannot sell, mortgage, or gift the said vehicle to any other party. The no-claim bonus of the vehicle's insurance cannot be transferred without the consent of the buyer, which both parties have read, understood, and signed below, and it is accepted by us and our legal heirs and successors.

Note: (The insurance transfer will be the responsibility of the buyer. Once the vehicle's token is taken, the vehicle deal cannot be canceled.)
